Praise God for a blessed season 1 of Refuel One Day events throughout the country! We are so thankful for the many ways God moved in and through Refuel as we took our annual conference on the road. We cannot thank our organizers and volunteers enough for their commitment to bringing teaching and encouragement to local pastors and staffs.

We are already making plans for season 2. We will be returning to our original six locations as well as expanding to new communities. Stay tuned for details.

Marvel at the Power of Prayer

Jim Copenhaver of Now Church and LCN's Local Center in Orrville, Ohio shares how local pastors have reflected on God's answers to their prayers. The Orrville Local Center has looked at their prayer requests from each of the monthly meetings over the past year and marveled at how God has answered their prayers. There is nothing quite like the power of prayer that can unite us in pursuing the mission of making disciples.

Stay the Course in Making Disciples

David Etter of Grace Life Church and LCN's Local Center in Denver, Colorado, shares a story of remaining faithful in making disciples. Do not be discouraged when you do not see immediate results. Disciple-making is a process that goes at different paces for different people. We do not always know where the fruit will be borne but the key is to stay the course and to follow God's calling.

Refuel 2021: October 18-19

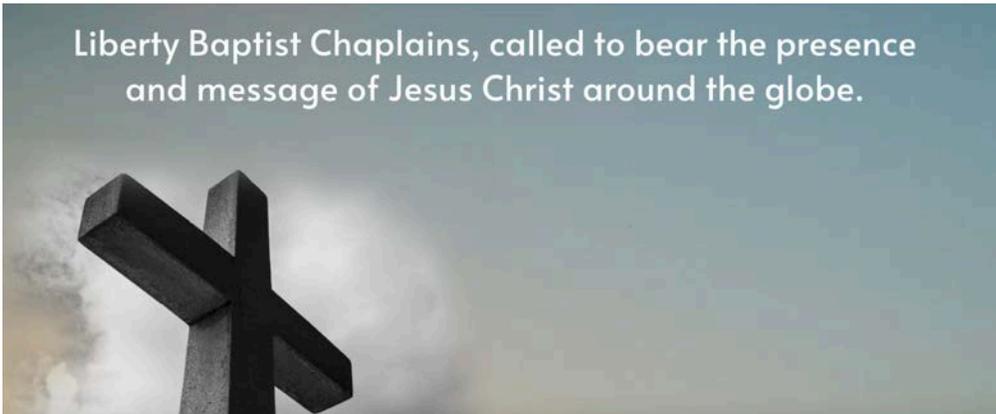

Refuel 2021 will take place October 18-19 in Lynchburg, Virginia. This FREE conference is open to all pastors and their staff members as well as interested volunteers and lay people. Mark your calendars and prepare to be encouraged and uplifted as we hope to gather together once again. We look forward to seeing you there!

Liberty Baptist Fellowship

Liberty Baptist Chaplains, called to bear the presence
and message of Jesus Christ around the globe.

Liberty Baptist Fellowship (LBF) was first established in 1982 when several graduates of the seminary expressed their desire to become chaplains in the United States Armed Forces. Under the leadership of Dr. Dennis Fields, Dr. Lew Weider, Dr. Charlie Davidson and now Dr. Steven Keith and Dr. Keith Travis, LBF continues to be the endorsing agency for hundreds of chaplains serving in the military, healthcare, prisons, public safety and in many other community positions.

LBF is very thankful for the faithfulness of our Chaplains to God's Call in serving Him as a chaplain. Our desire is to be supportive of and be a part of each of our Chaplain's ministry. We stand at the ready to help in any way we can, with full knowledge that there are some difficulties in ministering in chaplaincy.
