

FCHS Athletic Boosters
Minutes of Meeting – March 5, 2019

Craig Dellerosa motioned to approve the February minutes. The motion was approved by those present.

Athletic Program Update – Jeanne Kelly

Parent Coaches meeting tomorrow, Wednesday March 6.
Winter Sports Awards Ceremony was held last week, February 28.

Every Winter sports team competed in Regionals which has not occurred in some time. Several athletes from Wrestling, Indoor Track and Swim and Dive competed in States. Booster funds were used for travel expenses for Indoor Track State competition.

Spring season is underway. The weather has been an obstacle for the outdoor sports. JV Lacrosse recruited players to fill a team. Many area schools fail to fill JV teams which is detrimental for future programs.
Booster Flyer for the elementary schools needs a Spanish edition. Rita Karicher will provide a translated copy.

Jeanne Kelly met with Craig Day and Leadership teachers to begin planning Homecoming events for the 75th Anniversary. A Decade theme was proposed – remembering the 40s, 50s, 60s, 70s and beyond. Events include a parade, tailgate, alumni tent, and a special half-time recognition at the Homecoming game. A school tour will be given and afterwards a gathering at a local establishment.

Craig requested that the FCHS 75 Year Anniversary logo is included in flyers, programs, mailings and other communication to help promote this important event.

Treasurer's Report

Finances are doing well. Contributions from the main three revenue sources, Our Fund, Spirit Wear and concessions are doing well. The upcoming Track events will require 6-8 parent volunteers to work the concessions. One check for \$110 written at a coach's event is outstanding. Jeanne Kelly will follow up.

Jeanne Kelly and Coach Krause will set up a side committee to look into the specs for the videoboard. Funds are being raised and earmarked for this purchase.

Restaurant Night at Silver Diner in April 4 from 5pm – 9pm.

Develop a postcard to promote the Boosters, the Golf Tournament, and restaurant night. Home addresses needed.

Concessions

Indoor concession area has been packed up and cleared out. Craig Delloroso to follow up with Susana if Boosters will open the concessions for the Wrestling tournament on March 17. The wrestling coach may alternately use 29 Diner catering services.

Our Fund

Total raised by Winter athletes was \$12,000. Even though the fundraiser started late, it is on par with last year (combined with 2019 Spring projected numbers). The individual who raised the most money was recognized at the Winter Sports Awards ceremony and will contact Jeanne Bailey for his choice of Spirit Wear. Bonnie requested additional help with the picture dates and approval to be reimbursed for the purchase of a flash drive.

March 20 and 21 are important days for the fundraiser. Team schedules are set up for the email input activity.

Volunteers

Kelly discussed the vital need for concession volunteers. Discussed how to get information to Team Parent reps to help recruit volunteers. Restaurant night for the All-Night Grad Party will be held on Monday, March 11. A percentage of all sales that evening will go towards the fundraiser.

Community Outreach

Brad Johns is working on the next Booster flyer for the elementary schools. He needs information on upcoming events to include in the flyer. Will reach out to Timberlane Elementary school since a third of those students will attend FCHS.

John Morris Scholarship

4-5 individuals are needed to form the scholarship selection committee. Will mention the scholarship information at the Spring sports meeting to recruit selection committee.

Old Business

May 5 Golf Tournament Update Craig and Butch will meet with Rich to plan tournament Wednesday.
