Click on "My Center" to access your student information.

The Search links allow you to find other classes you may wish to add to your schedule.

1. Select a term or semester from the drop down menu.
Select at least two search criteria (ex: Computer Science and Graduate). Note that you can enter a specific course code if you know it.

You can also narrow your results by clicking the triangle to collapse the Additional Search Criteria menu and select a specific meeting time, day of the week, and campus.

Click Search.

By clicking Select Subject, a lookup window appears. Click Select for your subject.
Your search results are displayed

Clicking on the section link will display Class Detail.

Take note of 4 digit class number.
Now that you have found your course, please refer to “Self-Registration” How-To for instructions to add the course to your shopping cart.
