Before Joining a Meeting

1. It is recommended that you test your computer prior to attending a meeting. You can do this by going to: http://connect.liu.edu/common/help/en/support/meeting_test.htm

2. The Connection Test checks your computer to make sure all system requirements are met. If you pass the first three steps of the test, then you are ready to participate in a meeting.

3. If you do not pass the test, perform the suggested actions and run the test again.

Just prior to your class start time:

Joining a meeting
