

COVID-19 Pilot Waiver

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies have recommended social distancing and have, in many locations, prohibited the congregation of groups of people.

PALS cannot guarantee that you will not become infected with COVID-19. Further, utilizing air or ground transportation arranged by PALS (the "Transportation Service") could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 as a result of utilizing the Transportation Services, and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 through the Transportation Services may result from the actions, omissions, or negligence of myself and others, including, but not limited to, the Released Parties.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my use, of the Transportation Services ("Claims"). On my behalf, I hereby release covenant not to sue, discharge, and hold harmless the Released Parties of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Released Parties, whether a COVID-19 infection occurs before, during, or after participation in Transportation Services.
