

PALS

Helping people on their path to wellness

For patients, veterans,
and those in need,
PALS is a dedicated
team that makes
critical flights
happen, at no cost to
the passengers

To help a child battling
illness get to a doctor
that can save their life

To connect a
wounded veteran with
life-changing services

To deliver food, water,
and medicine after a
natural disaster strikes

PALS goes above and beyond to lift people up

PALS connects families in need with our aviation partners to provide unlimited free flights when their care is far from home

PALS helps when:

- Medical care is 2+ hours away from home
- The destination is a wellness camp or retreat
- The patient can travel in a non-pressurized plane
- The patient is ambulatory
- There is a financial need

Connect with us if you or someone you know may need a PALS flight

Since 2010,
PALS has provided
over 23,000 free flights
thanks to our PALS Family:

Volunteer Pilots,
Aviation Partners,
Passengers, Ambassadors,
Corporate Sponsors, and Donors

Join us in any of these ways and the sky's
the limit for how many lives we can impact

Special thanks to our outreach sponsor:
