**MESSAGE FROM OUR PARNASS JERRY SCULNICK**

This past year has seen some interesting changes in our Synagogue. We had the pleasure and privilege of receiving three Sifreh Torahs graciously donated by the Shomrim Laboiker, Beth Yehuda, Shaarai Tefilah, Congregation, in a very unique ceremonial presentation the likes of which have never been seen in the Montreal area! We were privileged to have the pleasure of the Stengast, Kirshner, Burnett and Blinder families, joining us on the occasion of their Sons Bar Mitzvahs which took place in our Shul.

(**Yashor Koach** to Fred Rudy for providing us all with these memorable historical moments, which some of us may still remember!)
