SISTERHOOD MESSAGE

Please do not delay. Start now! Every member brings a new member. If not now, when? This is the right time. We have a beautiful Synagogue that was built with the idea of many things in mind. It would make life worthwhile.

Doris Kanner, President

The Sisterhood is operating a beautiful gift shop throughout the year. Many great items are available, and those not available will be ordered for you. Please help out by patronizing your gift shop.

RELIGIOUS COMMITTEE

The allocation of High Holiday Seats is now being finalized.

All together over 1000 people will be in our Shul during Services. Remember that 1000 people whispering will still sound like a waterfall. We will expect and enforce the utmost in decorum. Our choir under the direction of our Choirmaster Jack Segal, will greatly enhance our Services. The choir are doing a fabulous job and it rehearses 3 nights per week. Lenny Greenberg is Chairman of the Choir Committee, and he is assisted by Jerry Sculnick. Our Cantor Jacob Singer has given up his vacation in order to rehearse with the Choir. Cantor Singer, David Marmor and Rabbi Abraham Rubin will lead the services.

Morris Winer, Chairman

(Yashor Koach to Fred Rudy for providing us all with these memorable historical moments, which some of us may still remember!)
