**MAZAL TOV:** And sticking with the Rudys, A very special anniversary for our VP Fred Rudy's wife Lillian, who celebrated her 13th cancer free year on September 12th B"H. May you continue to have a long life filled with only simchas with your beshert Fred. As well, **MAZAL TOV** to the Rudy's granddaughter Jaycie Dworzak, coming in the top 15% of her academic program for outstanding academic achievement at McGill University, and becoming a member of the "Golden Key" International Honour Society"! An honour to be proud of for the entire Rudy family!

**ANNIVERSARIES: MAZAL TOV** to YIC long time members Jackie & Danny Tansky who celebrated their 51st wedding anniversary on September 8. May you celebrate many more happy and healthy years together with your loving family! L'chaim!

**BEAUTIFUL SIMCHA:** Once again, our Rabbi Avram and his wife Rebbetzin Rochel outdid themselves yesterday evening in sponsoring a beautiful Erev Shabbat dinner and ceremony in honour of their daughter Messoda who will be turning three on Erev Rosh Hashana, the 29th of Elul, and on the occasion of her starting to light Shabbat candles. For those who attended, no words are necessary to describe the evening - the ceremony, the Kabbalat Shabbat Services, and the buffet dinner that followed. For those who did not attend, again no words are adequate to describe the 'heimishe' atmosphere that permeated the entire evening from start to finish. So much so, that a number of Shaar Shalom members stopped me to tell me how comfortable everyone felt with Shaar Shalom and Young Israel sharing such a beautiful evening, and how elated they were to having been invited and to take part. That is essentially what our shuls are all about. It was a beautiful ceremony, a spiritually uplifting Kabbalat Shabat, a beautiful Seuda, and a wonderful gathering together of our Rabbi's family, his parents Rabbi David and Rebbetzin Shoshana Banon, as well as the Rabbi's grandmother from Morocco, Mrs. Nina Banon, and his shul family as well. May the Rabbi's family grow B'H, as he continues to serve our congregation in good health to the best of his abilities, and may we all continue to "shep naches" from his family.

**HIGH HOLIDAYS a):** Tomorrow Sept 15th, we start setting up the hall for the High Holidays. That means the next 3 Kiddishes will take place on Sept 21, 28 and Oct 5 in the dairy hall. SHSH has a large Kiddish on Sept 28th, which will take place in the basement, consequently there may be no Kiddish Club on Sept 28th.

**HIGH HOLIDAYS b):** Seat sales are moving at a brisk pace for the High Holidays. Please call the office to make sure you reserve your seats as soon as possible. It is anticipated that the seating arrangements will be very similar to last year according to each member's preferences, and to the best of our abilities. Please let the office know of any special requirements you may have with respect to such seating arrangements as quickly as possible. We have exactly 2 weeks until Erev Rosh Hashana with lots of work still to be done. Help us to make it easier by being as early and as concise as possible with respect to your requirements. I am sure we are all looking forward to a beautiful Holiday service with our own Rabbi Banon and Rabbi Stiefel, and with all of you in attendance.

**ELECTIONS:** On Oct 21, Canadians go to the polls to elect the next Federal Government. Both election day and some advance poll days are holiday making it difficult for many Jews to go out and vote. Elections Canada - with whom I am meeting this Monday Sept 16 - will provide details on how the Jewish Community will be able to exercise their voting franchise. I will be providing details in this newsletter on the different possibilities and opportunities we will be able to get out and vote.

**REFUAH SHLEMA: a)** To Marvin Baker, who is recovering from a badly sprained ankle, which has not stopped him from coming to shul, and **b)** to all others recovering from various ailments and illnesses.

PARSHAT HASHAVUA - WEEKLY TORAH PORTION  
The Parshah in a Nutshell

Ki Tavo

Deuteronomy 26:1–29:8

Moses instructs the people of Israel: When you enter the land that G-d is giving to you as your eternal heritage, and you settle it and cultivate it, bring the first-ripened fruits (bikkurim) of your orchard to the Holy Temple, and declare your gratitude for all that G-d has done for you.

Our Parshah also includes the laws of the tithes given to the Levites and to the poor, and detailed instructions on how to proclaim the blessings and the curses on Mount Gerizim and Mount Eival—as discussed in the beginning of the Parshah of Re'eh. Moses reminds the people that they are G-d's chosen people, and that they, in turn, have chosen G-d.

The latter part of Ki Tavo consists of the Tochachah ("Rebuke"). After listing the blessings with which G-d will reward the people when they follow the laws of the Torah, Moses gives a long, harsh account of the bad things—illness, famine, poverty and exile—that shall befall them if they abandon G-d's commandments.

Moses concludes by telling the people that only today, forty years after their birth as a people, have they attained "a heart to know, eyes to see and ears to hear."
