

**MEMORY LANE # 48 (EDITED)  
FROM THE JUNE 1961 BULLETIN OF  
YOUNG ISRAEL OF CHOMEDEY**

**INTERESTING NOTES FROM JUNE 1961**

Our new Shiul will be finished early in August and we expect to move into it sometime in August and the Dedication Weekend has been fixed for October 6th, 7th, and 8th, Many important people will be invited for the occasion including The Prime Minister, The Mayor and Deputy, Federal Dignitaries, and the American Secretary of Labor Mr. Goldberg

The "United Talmud Torahs" will be starting classes in our new Shul building in September 1961. We are hopeful that our relationship will be a pleasant and profitable one to both sides.

We still have to finish the kitchen and the upper floor of the new Shul. New members and all contributors are welcome. We could use, and would gladly accept cash and/or material so that we can meet our goals.

A donation of \$5.00 has been received by our Sisterhood in memory of the late Moishe Lewis donated by his son Issie Lewis. Moishe, who passed away on May 10, 1961 was the Parnass for over 20 years. He was one of their representatives at our Torah Presentation.
