

REACH CHURCH

WHAT TO EXPECT WHEN YOU ATTEND REACH CHURCH IN A COVID-19 CAUTIOUS ENVIRONMENT

Reach Church is very excited to open our doors for public worship at our White Plains campus on Sunday, June 21, 2020, and at our Mount Vernon Campus on June 28, 2020. Reach Church endeavors to provide a safe environment for all public worship gatherings in accordance with the CDC recommended guidance for “Community and Faith Based Organizations” (<https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/index.html>).

For those currently sick with COVID-19, exhibiting possible COVID-19 symptoms, or who do not feel comfortable attending public worship services, we encourage you to continue watching our services online from one of the following platforms:

Reach Church website at <https://www.reachny.church>

Facebook (<https://www.facebook.com/reachny.church>),

YouTube (<https://www.youtube.com/channel/UCFWpTaTxSH4MbpqAce8NxUg>).

Anyone who is currently diagnosed with COVID-19, or who presents with symptoms consistent with COVID-19, is expected to refrain from attending the public worship service. For those who are attending the public worship services, or who participate in the ministry of Reach Church, it is expected that you will agree to observe the following:

FACE COVERING

Face covering will be worn by all attendees and ministry workers of Reach Church, with the exception of the pastor when preaching, the Worship Team when leading worship, or any other person presenting information from the platform. Anyone presenting from the platform will be standing a minimum distance of 20 feet from the nearest church attendee in the congregation.

SANCTUARY SEATING

Ushers will assist families in finding a suitable seating location within the current social distancing parameters. Church attendees will only sit in those areas marked for seating. It is requested that family units sit together, leaving a space of six feet between them and another family unit. Your cooperation with the Usher Team is greatly appreciated.

REACH KIDS CHILDREN’S MINISTRY

As of September 20, 2020, Reach Kids will resume live children’s ministry during the 11:00 am service experience at our White Plains Campus. All children attending the live Reach Kids experience must be pre-registered. The registration link may be found on the home page of our website (www.reachny.church). Reach Kids will be offering an online children’s ministry experience at 1:00 pm during our Mount Vernon worship experience. Children will be able to participate in the children’s ministry services while sitting with their parents in the sanctuary, using an electronic device and

headphones. For more information on how to participate in the children's ministry services, please email bethany@reachny.church

REACH YOUTH

As of September 13, 2020, the youth ministry of Reach Church will hold youth service during our 11:00 am ministry experience located on our White Plains campus. For more information regarding youth ministry at Reach Church, please contact our Youth Pastor, Simon Davenport at pastorsimon@reachny.church.

NURSERY SERVICES

At this time all children's nursery services at Reach Church have been postponed and your children are welcome in our church sanctuary.

REACH CHURCH CAFÉ

Reach Church café will be closed at the present time.

CLEANING

Reach Church endeavors to provide a safe and sanitized environment for your family at all our church locations and services. Reach Church will follow the CDC recommended guidance for "Community and Faith Based Organizations". Reach Church has employed a professional cleaning service to come in weekly for Atomize Fog Sanitizing of all occupied areas to maintain a healthy and safe environment. In addition to the professional cleaning company, our own Cleaning Team will supplement our cleaning efforts by sanitizing before and after each service.
