CELEBRATE YOUR HOLIDAY OR CORPORATE EVENT AT THE WINE FOUNDRY

The Wine Foundry is the perfect venue to host your holiday celebration or corporate team-building activity.

Let our experienced Special Events team plan and execute your holiday festivities. We'll coordinate beautiful décor and a tasty menu perfectly paired with our award-winning Foundry wines. The Wine Foundry can also customize experiences for team-building activities.

Because your group has specific needs, we feature three different spaces from which to choose. Our sleek, modern tasting room features a one-of-a-kind stainless steel bar forged from a fermentation tank, unique artwork by renowned multimedia artist, Ben Joyce, and floor-to-ceiling visibility directly into the winery. This room can accommodate up to 50 for a standing reception.

For those seeking a larger space, we open the winery floor, so you can explore among the fermentation tanks, grape press and sorting table.

The winery features a built in disco ball and can accommodate up to 150 seated or standing. For

smaller groups seeking a more intimate wine experience, we offer our Sensory Room, which can accommodate up to 12 people seated or standing.

Whether it is a cocktail and hors d'oeuvre reception in our tasting room, a sit-down dinner among barrels and state of the art winery equipment, or you want to turn up the volume with a DJ and disco ball, we have something for everyone.

For more information on planning your holiday party or to check available dates, please contact our Events Department at events@thewinefoundry.com or 707.637.8821.

50% of the total event cost is required to reserve your date and the balance is due with the signed contract. The rental fee ranges \$1,500–\$8,000 depending on the activity, guest count, day of the week and time of year. Meals range \$63–105/person. Tax, alcohol and a 20% service charge are additional.
