FULFILLING OUR PROMISES  
TO THE MEN AND WOMEN WHO SERVED

We are dedicated to a single purpose: empowering veterans to lead high-quality lives with respect and dignity. We accomplish this by ensuring that veterans and their families can access the full range of benefits available to them; fighting for the interests of America's injured heroes on Capitol Hill; and educating the public about the great sacrifices and needs of veterans transitioning back to civilian life.

**As long as the COVID-19 issues prohibit our membership from conducting business as defined in our Constitution & Bylaws, we will operate with the Executive Committee making decisions that affect our normal business operations.**

**Our Bylaws state that we have Nominations for Offices in March and Elections in April. For obvious reasons, these have been cancelled, and we will continue on for now with the current slate of officers.**

**Please watch this website for further information as changes occur which impact our business operations.**

***Thanks for your concern and understanding.***
