The choir plays an important role in the Fairbanks community by offering opportunities for a diverse group of young singers to learn the art of vocal technique and blending voices in a choral setting. As members of NYC, they are encouraged to be responsible representatives of our community. Music is the language of many cultures and transcends religious, racial and economic boundaries. The choir adds to the artistic culture of Alaska through concerts and other performances.

Funds raised for the organization will help toward the cost of education, choir music and folders, music literacy materials, financial aid for qualified applicants, uniforms, performance expenses, choir promotion, and administrative expenses. Your charitable contribution is tax deductible as allowed by the IRS.

To contribute, please complete the enclosed form and make your donation payable to Northland Youth Choir. A donation envelope is also enclosed. Aurora is a women's choral ensemble in Fairbanks, Alaska. Our goal as an ensemble is to educate ourselves about the choral arts, improve our singing technique and practice fundamentals of musical theory while unifying women through expressive singing. We are proud to be part of the Fairbanks arts community. Our performance season runs from September through mid-May, and Aurora performs two concerts each year in December and May.

Any woman who loves to sing and wants to learn more about the art of choral singing is welcome to attend a rehearsal. If you think you would enjoy singing with us, you may contact Allison Baldock to schedule a brief vocal interview. Currently, we have 25-30 singers with various backgrounds and talents. Any woman age 18 and older is invited to sing with us. There is a fee of \$150 per season. Those proceeds help cover the expenses of music, materials and small stipends for our conductor and accompanist. Limited scholarship funding is sometimes available to those who qualify. We rehearse every Tuesday night from 7:00 PM to 8:30 PM at the University Park Bible Church on 3681 Sandvik Street in Fairbanks. To learn more about Aurora please contact Allison Baldock at (907) 687-9663 or Janice Trumbull at (214) 354-4587.

Concert tickets may be purchased at Mt. McKinley Bank (4th Ave.) or
at the door one hour before performances.
