\*Our cannabis hemp seed pancakes have a delicious light flavor. This great tasting family recipe calls for freshly ground hemp seeds, whole wheat flour and yogurt. Hemp seeds contain all the essential amino acids and are the richest vegetable source for the essential fatty acids

necessary to maintain healthy human life. No other single plant source provides complete protein in such an easily digestible form, nor has the oils essential to life in as perfect a ratio for human health and vitality. Join us for a tasty breakfast and feel nature's life force flow!

*Printed on dead trees processed with toxic chemicals versus hemp paper due to short-sighted prohibition laws.*
