Special Olympics Hawaii Makes a Splash with New Paradise Plunge Fundraiser

As we safely get into the swim of things, Special Olympics Hawaii decided to reinvent our traditional, in-person Polar Plunge fundraiser into a newly created event we’re calling the “Paradise Plunge.” This new format allows participants to safely support local athletes by sharing a video or photos of themselves taking a dip in the ocean or performing any type of water activity – such as beach bodyboarding, surfing, or taking the plunge in a swimming pool. To sign up, make a donation or for more information on how to participate, please visit: www.sohawaii.org.

The Paradise Plunge is open to individuals, families and student groups, and anyone else who wants to take the plunge to support Special Olympics Hawaii athletes. All plungers are asked to raise a minimum $100 donation to receive a Paradise Plunge event shirt. There is a reduced fundraising goal of $50 for students of all ages, elementary through college. Participants can take the plunge by planning a day visiting their favorite beach and going diving, boating, surfing, or even taking a dip in the swimming pool if they’d prefer. Plungers are asked to send photos or a 60-second, horizontal and unedited video clip of themselves making waves performing their “Paradise Plunge” at WeTransfer.com to development@sohawaii.org. The deadline for submissions is Sunday, August 30. Following the completion of the event, Special Olympics Hawaii will release a 2020 Paradise Plunge compilation video for participants to enjoy and to share with donors and supporters.

We would like to thank our partners statewide whose support is key to making year-round sports, inclusion and health opportunities for individuals with intellectual disabilities a reality. A special mahalo to this year’s Paradise Plunge sponsor Hawaiian Telcom who is providing Silver Medal support.

Wellness Corner: Beat the Heat!

This month we are excited to feature our new Health Community Manager, Walker Rowsey for this edition’s wellness tip. Walker is the newest member to join our Special Olympics Hawaii ohana and we look forward to giving him a full and proper introduction in an upcoming edition.
As the summer heat kicks up, Walker shares his favorite snack idea that’s both delicious, healthy and will stop you from melting all day long. For a healthy snack Walker shares, “Try eating frozen peas (yes, still frozen) like you would popcorn. They taste great and are a phenomenal source of protein that will also keep you cool!”

A Special Drive-By Celebration for Nancy Bottelo’s Retirement

Not even a pandemic could stop the Special Olympics Hawaii community from giving our former president and CEO Nancy Bottelo a memorable and heartfelt send-off on her last day! Dozens of cars lined up on June 30 to wish Nancy well on her retirement and to thank her for all of her contributions to making Special Olympics Hawaii into the organization it is today. The drive-by celebration was a way for everyone Nancy has worked with and touched over the years including partners, sponsors, board members, and athletes’ families to celebrate Nancy’s retirement in a safe way while following social distancing guidelines.

If you would like to honor Nancy’s work and her service to Special Olympics Hawaii over the last 30 years, please feel free to make a donation [here](https://www.specialolympics.org/donations).
