A. Best Practices Inventory

Mayor White advised that this inventory is required by the DCA to be completed annually to determine compliance. She commented that Alissa Mayer, CFO, has done an outstanding job in not only ensuring that the Borough is compliant once the inventory is received, but ensuring that matters are handled correctly throughout the year.

CFO Mayer noted that the Borough did very well this year. She advised that the inventory was reduced to 30 questions and reviewed the new questions with the governing body. She commented that prospective was no longer an option in answering the questions affirmatively, and noted that at the last meeting, the governing body implemented written policies with regard to tax appeals and PILOTs which formalized policies that were already in place. She advised that 22 questions needed to be answered affirmatively in order to retain aide and the Borough’s answers included 2 “no,” 24 “yes,” and 4 “N/A” answers.

Mayor White thanked CFO Mayer for the time and effort that she has put into preparing this survey.
