Ari Bernstein
Mayor

Mayor Bernstein's Message

Greetings and welcome to Fall in Allendale! After a successful summer at the Lake, Crestwood Park continues to be buzzing with many of the Fall sports programs. It is great to see students and teachers getting back to school! I want to remind drivers to remain vigilant and practice safe driving with the increased number of walkers and bike riders around town.

I am happy to report that while we have had many obstacles to overcome in 2020, we have remained resolute as one community, and our road to a new normal continues. Through service and sacrifice, our First Responders have remained committed to keeping our residents safe.

As a community, we recently came together for a beautiful 9/11 remembrance ceremony. The feelings of that day in 2001 do not fade and Allendale continues to come out to honor those who we lost on that fateful day. If you were not able to be there in person, please check out the beautiful highlight video posted on the Borough's Facebook page [@AllendaleNJBorough](#).

As you may have noticed, we have a lot going on in town. The services that you are used to receiving have continued and additional improvements continue to be forthcoming. Last week, the Borough concluded its annual paving program, with improvements made to High St., Heights Rd., Cambridge Dr., and Pearl Ct. I want to thank our staff and professionals for making this project a priority every year. A lot of coordination and preparation goes into this project and I want to thank the residents for their patience. Bergen County has recently notified us that the paving of Hillside Ave. will commence on or about October 6th. We are also very excited that work has begun on the Downtown Streetscape project. This work is being funded by grants that the Borough received over the course of several years from the NJDOT. Updates will include new sidewalks, replacement of overgrown trees, new decorative lighting, and other streetscape improvements.

This year's General Election is very different than what we are all used to. The Borough Clerk's Office has been working diligently to sort through the information coming in from the County and the Governor's offices in order to provide Allendale residents with the most accurate information for this year's election. Please check out our [Voter's Guide](#) outlining everything you need to know. Our Clerk's office will remain open until 9:00 p.m. on Tuesday, October 13th to accept voter registration applications.

In the coming months, the Borough will be working on exciting projects such as the Crestwood Park Playground refurbishment. We will keep you posted as these projects progress.

On behalf of the Council, we wish you continued good health and a great October here in Allendale.

LEE MEMORIAL LIBRARY

EDUCATE, EMPOWER, ENLIGHTEN, AND ENRICH

DID YOU KNOW that Lee Memorial Library:

Offers Home Delivery to EVERY residence!

Call or email us with your selections - or get in touch once you receive notification that items you requested are in - and we'll deliver books, movies and music to your porch in weatherproof packaging at no charge. Service details are available on the library website.

Provides Notary Public Service by Appointment!

Free notary service is available to Allendale residents by appointment, six days a week. Call the library to book a session, as walk-in business cannot be accommodated. Patrons are required to present proof of residency and to bring their own witnesses, if their documents require them. See the library web site for more information.

Proudly Served the Allendale Community...

In myriad ways throughout the government-mandated public safety closure period. Notably, while satisfying demand among the broader community for Internet access, we provided mobile hotspots for remote learning access to Allendale K-8 students for six months. Hotspots are available free-of-charge to Allendale residents and are perfect for travel or short-term needs.

Acted As a Port In the Storm in the Aftermath of Tropical Storm Isaias...

The severe weather resulted in loss of power to over 65% of Allendale domiciles and businesses. The library hosted scores of workers on its WiFi service and, acting in its capacity as an emergency charging station, provided power to over 42 unique households over two days.

Presented Our Summer Reading Program, Imagine Your Story...

Which was generously sponsored by the Friends of the Lee Memorial Library. Two hundred twelve Allendale residents enrolled, logging 741 books! Congratulations to our summer reading grand prize winners, Liam Murphy (youth) and Kelly Cary (adult), each of whom took home an Amazon Fire tablet. Thanks to all who participated. Let our professional staff help you discover your next favorite book!

leememoriallibrary.org

This global pandemic has impacted each one of us in profound ways and also reminds us of how fortunate we are to live in a community like Allendale. A group of Allendale citizens has come together to help our community members in need. Our mission is simple: Help Allendale residents who are struggling financially while simultaneously supporting local businesses.

We are a 501c(3) organization and your donations are tax-deductible.

For more information and if you need help or you are able to donate, please visit our website www.allendalecos.org or email allendalecos@gmail.com

The USRA Coalition is launching a student video contest focusing on positivity. Students in grades 6 through 12 are invited to create and upload a video to TikTok, Snapchat or Instagram thru November 1st at 6 pm. All videos MUST tag @USRACoalition and include #USRApositivity to be considered for a prize. There will be 3 honorable mention prizes of Apple EarPods. Brookside, Cavallini and Northern Highlands will each have one honorable mention winner. The grand prize winner will receive an Apple Watch Series 5. The contest is open to all middle school and high school students in the four quad towns - Allendale, Ho-Ho-Kus, Saddle River and Upper Saddle River. Winners will be chosen by a committee and announced on November 15th.

To help promote participation, students created a video to promote the contest. See below:
<https://drive.google.com/file/d/13Bj6bb11PVMkuyYDvDJrQHqfDohqMYoj/view>

For questions or more information, please email admin@usracoalition.org. Also follow the USRA on Twitter, Instagram and Facebook at USRA Coalition.

The USRA Coalition, a partnership between Allendale and Upper Saddle River, was established in 2017 with a grant. The USRA's mission is "to educate and create awareness in our communities to prevent and reduce substance abuse and other related health issues." In 2019, the Coalition received a Drug-Free Community (DFC) grant and has been addressing issues such as mental wellness, vaping, and alcohol and substance abuse.

Thank you to the Wright Family and Englewood Dental for the generous donations towards the prizes.

HALLOWEEN

Poster Painting

Due to the pandemic, this year's Annual Holiday Observers Halloween poster painting contest will be held remotely.

*Saturday, October 10, 2020 - 8:00 AM -
12 Noon
Crestwood Lake - Red Barn*

- There will be a drive-thru pick up for supplies at Crestwood by the Red Barn
- Posters, paints, brushes and directions will be supplied to you at this time
- Posters should be completed at home
-

Sunday, October 11, 10:00am – 12:00pm

- Return your completed poster to the Red Barn during the designated time
- Judges will select the winners
- Posters will be hung downtown as usual
- Winners will be notified by email
- This year's prizes will be Amazon gift cards

Paint your scariest, funniest , ghoulish or happiest Halloween scenes!

All preK - 8th grade children in Allendale are invited to participate.

National Prescription Day Set For October 24th

Allendale Police Department has a box in their lobby, available 24/7, to place unwanted prescription drugs.

DEA's next National Prescription Drug Take Back Day is October 24, 2020 – 10AM to 2PM.

The National Prescription Drug Take Back Day aims to provide a safe, convenient, and responsible means of disposing of prescription drugs, while also educating the general public about the potential for abuse of medications. [Click here for additional information and locations.](#)

THE BOROUGH OF **ALLENDALE**

THE YEARLY HYDRANT FLUSHING PROGRAM IS SCHEDULED TO START ON OCTOBER 5, 2020

Suez Water will be conducting hydrant testing and flushing throughout town over the next few weeks. Flushing will occur during the hours of 8:00 am through 3:00 pm. We request that customers use minimal water during the flushing in their area to avoid the possibility of drawing sediments into the household plumbing. We regret any inconvenience the flushing program may cause you. If you have any questions or would like more information please contact Suez Water at 855-367-6708

Zone 1 – Anticipated Start Date 10/05, Anticipated Completion Date 10/9

Zone 2 – Anticipated Start Date 10/12, Anticipated Completion Date 10/16

Zone 3 – Anticipated Start Date 10/19, Anticipated Completion Date 10/23

Zone 4 – Anticipated Start Date 10/26, Anticipated Completion Date 10/30

Zone 5 – Anticipated Start Date 11/2, Anticipated Completion Date 11/6

Please note that these dates are tentative and subject to change.

To cleanse the system, Suez Water systematically open our fire hydrants to increase water flows – allowing us to “flush” any minerals and deposits from the pipes. While flushing the system won’t interrupt your water service, when crews are working in your area, you may notice a temporary drop in water pressure or discolored water. This is discoloration is normal. If you are experiencing any discolored water simply let your water run until it is clear.

Customer Tips:

- Avoid running your tap water and using the washing machine or dishwasher while crews are flushing in your area.
- If discolored water occurs, simply run the cold water for a few minutes until it clear. This will allow the sediment to work its way through your pipes.
- Check for discolored water before using the washing machine or dishwasher. Wait until the water runs clear at the tap before doing laundry or running the dishwasher. NOTE: If your laundry becomes stained, DO NOT PUT YOUR LAUNDRY IN THE DRYER. Rewash clothes immediately using detergent and add a rust remover. Most rust removers can also be used on stained fixtures.

In some cases, slight discoloration might linger for a few hours. This discoloration only affects the appearance of the water and does not affect water quality. No health hazards are associated with discolored water from hydrant flushing.

If water pressure or water volume seems low after flushing has been completed, check your faucet screens for trapped particles.

THE BOROUGH OF ALLENDALE

ALLENDALE 2020 DOWNTOWN STREETScape IMPROVEMENT PROJECT

OVERVIEW:

The Allendale 2020 Downtown Streetscape Improvement Project consists of **replacing the existing pavers, Belgian Block curb, and constructing ADA compliant curb ramps** along West Allendale Avenue.

Additional improvements consist of upgraded **decorative street lighting, the installation of large deciduous trees, and trash receptacles along West Allendale Avenue.** Other improvements include the resetting of existing street scape features, including but not limited to benches, planters, high visibility crosswalks, and signs. All of these improvements are funded by NJDOT Municipal Aid.

The project is scheduled in 3 Phases with a timeline of completion within sixty calendar days after notice to proceed, weather permitting.

WHY WE ARE DOING THIS:

The last street scape update to our downtown was in 2004 with some elements dating back to the early 1990s. Over time it has been determined that the current lighting was aging and needed upgrading. The pavers were showing their wear and tear and were uneven in many areas. They could not be washed or replaced. All of the street trees were outgrowing their space. Additionally, the lifespan of the street trees is 10 - 15 years.

FUNDING:

In planning this renewal, Allendale applied for and received three Department of Transportation (DOT) grants **totaling \$662,000 to complete the Allendale Downtown Streetscape Project!** These DOT grants are designed exclusively for use in downtown upgrades **and can not be used for anything else.** Grant opportunities have a limited period for application, awarding, and use. **These deadlines dictate the timing of the project.** By not applying, Allendale would have lost our opportunity to refresh our downtown and the grants would have been awarded to another town's project. Funding for these grants is not necessarily available every year.

GOALS:

Downtown districts like we have in Allendale are the heart of a town. They are places we go to meet with family and friends, dine out, shop at the fine boutiques and storefronts. Maintaining, enhancing, and keeping the public safety of our downtown district is crucial for the long term viability of this Borough.

To that end:

- Allendale was awarded three Department of Transportation **grants totaling \$662,000** for the Allendale Downtown Streetscape Project.
- The update and installation of modern lights will be more efficient and will save on energy and money
- A well-lit downtown also plays into our primary goal of public safety, well-lit areas will make people feel safe while strolling the sidewalk and crossing the streets
- Improved signage and high visibility crosswalks will also play a major role in improving pedestrian safety.
- The plan also calls on replacing all the trees with large deciduous trees, including several areas where trees were removed due to disease. The results will be **more trees downtown.**

The Allendale Downtown Streetscape Project will ensure our beautiful downtown remains a crown jewel in our Allendale community.

Questions: amywilczynski@allendalenj.gov

THE BOROUGH OF ALLENDALE

2020 GENERAL ELECTION VOTER'S GUIDE

Tuesday, November 3rd is Election Day. All active registered voters will automatically be receiving a VOTE-BY-MAIL ballot in the mail. You **DO NOT** have to send a request for a ballot.

✓ *Voting using the VOTE-BY-MAIL ballot:*

OPTION # 1:

MAIL your completed ballot through the USPS in the first-class postage-paid envelope provided. Ballots postmarked by November 3rd and received by the Board of Elections before November 10th at 8 PM will be counted. Please see our "How to fill out the VOTE-BY-MAIL Ballot" on page 2, OR

OPTION # 2:

DROP your completed ballot at one of the 18 **SECURE** Ballot Drop Boxes, located throughout Bergen County, by 8 PM on November 3rd (see list on page 3). Only drop a **BERGEN COUNTY** ballot at a **BERGEN COUNTY** Drop Box! These boxes are monitored 24 hours a day and ballots are picked up by representatives from both parties (Democrat & Republican) along with a Sheriff's Officer, OR

OPTION # 3:

BRING your completed ballot to your polling location (see below) on November 3rd between 6 AM and 8 PM. You can only **BRING YOUR OWN** ballot and you will be required to stand in line to sign the Voter Book when delivering.

UPDATED - Voting Locations in Allendale:

Districts 2 & 3 - Borough Hall, Upstairs Council Chambers, 500 W. Crescent Ave

Districts 1 & 4 - Fire House, 1 Erie Plaza

✓ *Voting In Person on November 3rd:*

Voters who choose not to complete their VOTE-BY-MAIL ballot and wish to vote in - person will be provided with a provisional (paper) ballot. (Per the Governor's order, ADA ACCESSIBLE VOTING MACHINES WILL BE AVAILABLE FOR DISABLED VOTERS ONLY.)

Voter Registration Deadline - Tuesday, October 13th

The Allendale Clerk's Office will be open until 9PM on October 13th to accept Voter Registration forms. Blank forms will be available or to download the form on-line, click here - [ENGLISH](#) [SPANISH](#) [KOREAN](#)
