This "medico-legal examination and report" signifies a medical examination of a patient who has been involved in an accident for the purpose of submitting a report to either a plaintiff's or defendant's attorney. These examinations are more detailed and require more precise records than is usually done for the diagnosis and treatment of the average patient. Our fee is commensurate with the extra time required for these examinations and reports.

We require regular 30 day payments on your account. If the person responsible does not comply with this arrangement, we will of course expect you to make these payments.

PLEASE ASSIST US BY FILLING OUT THE BELOW QUESTIONS VERY CAREFULLY.
