OptiZinc® is a unique complex of zinc methionine, an amino acid that increases zinc absorption and acts as an antioxidant.

*OptiZinc® brand of Zinc Methionine - OptiZinc® is a registered trademark of InterHealth Company. Manufactured to the specifications of **NUTRITECH INCORPORATED**, Las Vegas, Nevada 89123

DIRECTIONS FOR USE:

Shake well before using. Pour and mix dose into food or feed directly. In case of contact with skin or clothes, wash immediately with soap and water to avoid staining clothes. Do not use topically. Follow dosage recommendations below.

DOSAGE AND ADMINISTRATION:

ADULT DOGS: One teaspoon (5ml) per 20 pounds of bodyweight per day.

CATS: Take 1/4 teaspoon (1.25ml) per two pounds of bodyweight per day.

PUPPIES, PREGNANT or NURSING MOTHERS: One teaspoon (5ml) per 10 pounds of bodyweight per day. Maximum suggested dosage for larger breeds is 6 teaspoons (30ml) per day.

ILL or CONVALESCING PETS: Double the dosages as indicated above.

Precautions: Use only as directed. Store in a cool, dry place.

Cautions: Keep OmegaDerm-3™ with OptiZinc® and all vitamin preparations out of reach of children and pets.
