October 2020

Fall Ministry Update

Released Time Classes would normally be starting this month! Even though we won't be meeting with the children in-person at this time, we are very excited about being able to offer two platforms for boys and girls to view our Bible classes online! Sue & Jen will be recording a weekly "You Tube Good News Club", which will be available to watch whenever the children would like. The other choice is to become part of a Zoom Good News Club, which will meet on a weekly basis, grouping the children according to the school district in which they live. Children will need to register on our website for either club.

Do you know of a child who would enjoy one of these clubs? He/she may attend public school, private school, cyber school, or be homeschooled. Clubs are designed for children ages 5-12. Please pass along the insert!

- Prayer Requests:
1. for our volunteers
 2. for "technology" to work smoothly
 3. for the children who will be attending these clubs
 4. that God will be honored through clubs

MANY THANKS!

THANK YOU to those who have faithfully given to the "Released Time Class Transportation Fund"! We will not be using this fund while teaching online at this time, but we will hold these funds for our future transportation needs. You may continue giving to this account, or you can let us know if you would prefer to designate your gifts to go to the general or where-needed accounts, or toward support for Sue or Jen.

We are also ***GRATEFUL*** for the donation of ink cartridges, so that we can receive "points" toward Staples purchases. We no longer have a need for these, as we have many in storage that can still be returned for points. Perhaps another organization can make use of the ones you have saved. We appreciate your help!
