

Summer STREAM

Challenge #7: Who came to visit our campsite last night?

Step 1: Look at these footprints!

Step 2: Use the penny as a guide to determine the size of the animal.

Step 3: Count the toes and use this link to discover the animal.

<https://blog.nwf.org/2014/12/who-goes-there-identifying-animal-tracks-in-your-backyard/>

Step 4: Trace your footprint in your field journal. How long is your foot?
