

Welcome to Summer STREAM!

A message for PARENTS:

REMEMBER: Every day plan 40 minutes for learning (reading, writing and/or math challenges) to keep your students mind active!

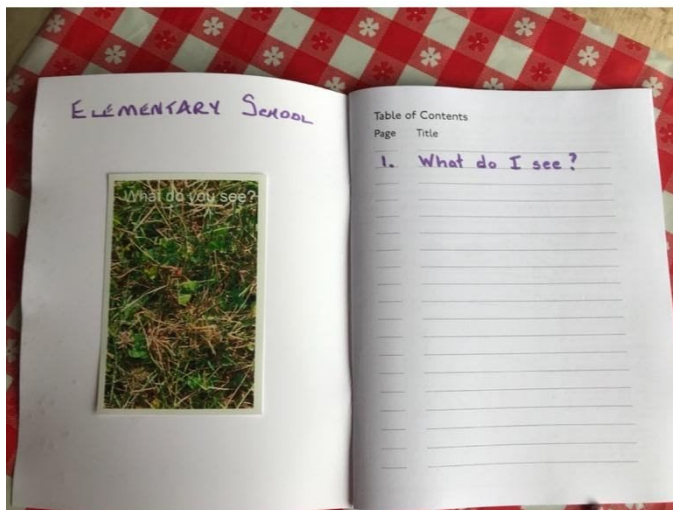

FOR ALL STUDENTS

Challenge#1: What do you see?

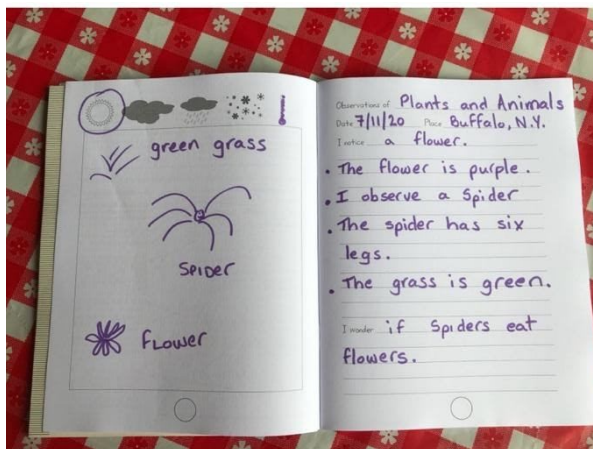

1. Look at the photograph in your journal.
2. Make a list of everything you observe.
3. Draw what you see.
4. Write down your questions about what you see.

• Don't forget to write the date and location on the top and add the page and title on the index first page.

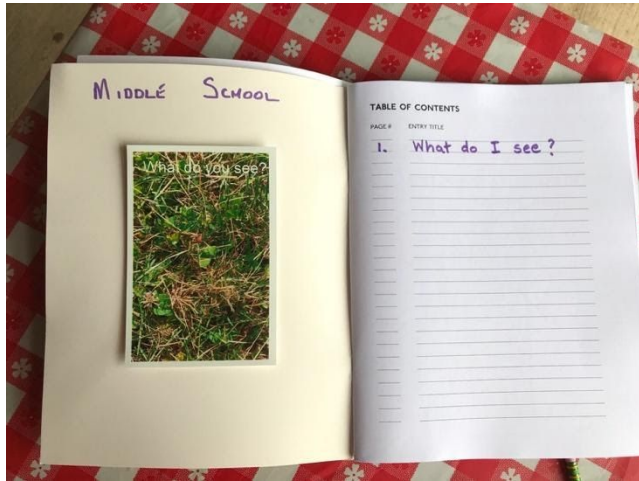

FOR Elementary Students:
