Neighbor to Neighbor Spring Luncheon Cancelled

In light of the rapidly changing Covid-19 situation, the Board of Directors of Neighbor to Neighbor has decided to cancel the 45th Anniversary Spring Luncheon Benefit on April 1, one of our most important fundraisers.

Now more than ever, our children, families and older adults need your support. We are committed to providing food for them. The people we serve at Neighbor to Neighbor’s Food Pantry are at extreme risk because of loss of income and increased food insecurity. We anticipate a significant increase of neighbors needing assistance with food.

We thank you for your interest, ticket purchase or donation to the Spring Luncheon Benefit. If you purchased a ticket, please consider donating it to Neighbor to Neighbor at this critical time, whether it is the price of your ticket, the amount you might have donated through the “text to give”, or another donation amount. Because no goods or services will be received, your donation will be fully tax deductible. Upon confirmation of your generous donation, we will send you a revised tax form.

Because we buy in bulk, every donated $1.00 = $2.50 of food.

We thank you for your generous response to the Spring Luncheon Benefit and for your continued support of Neighbor to Neighbor.
