

Dear MLPS Families,

We pray that all of you and your loved ones both near and far are staying safe and well through this very unprecedented and challenging time. We also know that you are doing your part with following the directives to stay home, social distancing yourselves, washing hands, taking great care of your children and of course praying together. We miss all of you!

MLPS is still following the federal, state and local health departments guidance in regards to remain closed temporarily or reopen at a later date. We currently are waiting for further announcements from MCPS in regards to what their plan will be.

In the meantime, the teachers at MLPS continue to develop lesson plans with the hope of returning at some point this school year. We are also developing plans for making up days and to remain connected with all of you during this time. Please continue to check emails and the MLPS website for more information.

As we take this time to rest, reflect and pray please remember this bible verse:

*"I have commanded you, 'Be strong and courageous! Don't tremble or be terrified, because the Lord your God is with you wherever you go.'"*

*J O S H U A 1:9*

Thank you all for your continued prayers and support.

Blessings,

Carol Carpenter, Director
