

UNITED AIRLINES MAINTENANCE CONTROLLERS NEGOTIATIONS UPDATE – 02/13/2020

Members,

The scheduled negotiation sessions between the IBT represented Maintenance Controllers and United Airlines have been postponed due to recent developments within the Airline industry. Although this pause will cause a delay, this is viewed as a necessary step to ensure the best possible contract for the membership.

Your Negotiations Committee will continue to work on a revised economic proposal during this intermission. Time and dates of the future meetings have not been scheduled as of this update.

In Solidarity,

Your Negotiations Committee

Paul McCormick, Dan Morrissey, Bob Fisher, Kyle Schoembs, Hernan Gomez, and Paul Alves
