End Pre-show

(DIRECTOR mic goes live.)

DIRECTOR

What's up Minneapolis! How's everybody doing tonight? I'm Lucius Fillman the director of tonight's live broadcast. As you all know we're here for the exciting final episode of Fashion 47. Everyone on this catwalk is going to be putting out a lot of energy, but to really make this event work on TV, we're gonna need a lot of energy from you as well. So what I want to do is get our cameras up here to get some reaction shots. I want to hear you go, "Oooooooooo!"

"Ooooooooooooo!" Alright, that's great. Now how about a laugh: "ha ha ha!" Yeah, like it's the toilet bowl fashion from episode 3. "Ha ha ha ha ha!" You are a fantastic audience. Ok, last thing, now we need a cheer. "Wooooo!"

You see a fashion come down the runway that is just incredible, lets hear it:

WOOOOOOOOOOO!

All right, let's see if we can keep the cheering going because were about to go live in five four three two...

(egging on the crowd to cheer louder)

VOICE OVER: And now, the hosts of Fashion 47, Jacques DuJour and Marina Mariposa Polusa!

(cue Fashion 47 theme song)

(Enter JACQUES and MARINA. They work the runway and audience claps.)

MARINA

Welcome ladies and gentlemen to the season finale of Fashion 47!

JACQUES

You look great Marina. You've outdone yourself tonight! (to audience) Doesn't she look great! (Audience cheers.)

MARINA

Ooo Jacques. You smell good tonight.

JACQUES

Tonight, is a big night!

MARINA

We've waited all season for this night.

JACQUES

And here we are.

MARINA

We're down to two designers from the original 47.

JACQUES

It's just Jasper and Roberto.

MARINA

I love them both!

JACQUES

But first let's say hello to our panel of expert judges. First we have Lily Evans, she's a winner from Americas Next Top Model.

LILY

This reminds me of the feeling I had when I did my first Calvin Klein runway show. I came in there a nobody, and when I walked out I was a star

JACQUES

Thank you, Lily!

MARINA

Next we have Ryky. Who is the high fashion photo editor for Vogue magazine.

RYKY

Yesssss! Color! Texture! Low- cut, high cut, no cut....EXCITEMENT.

JACQUES

And last, but certainly not least—

JACQUES

We'd like to introduce Alexis Blair, the senior managing partner at the Ford Motor Company.

ALEXIS

(LOUD SCREAM)

Ford Model Agency...you sniveling little fool! Who do you think you are? (Another roar/scream) Nothing happens in the world of fashion I say it happens. I say Tyra Banks is a star and she is. I say Kate Moss is a star and she is. And I see nothing here but a bunch of overrated, underpaid AMATEURS!

AUDIENCE OOOOOOO'S

JACQUES & MARINA

Thank you Alexis!

MARINA & JACQUES
And now let's meet the designers!

JACQUES
You know him well, you love his clothes, let's bring out –

MARINA & JACQUES
Jasper!

(Jasper's music plays as he enters.)

MARINA
He's so cool!

MARINA
Tonight, as everyone knows, our theme is Grocery Store.

JACQUES
The designers must only use materials found at the Grocery store.

MARINA
Do you think Jasper will be able to rise to the challenge?

AUDIENCE CHEER

(Jasper raises his hand)

JACQUES
Jasper has something to say

(Charlie comes out)

JACQUES
Jasper's assistant Charlie.

CHARLEY

JACQUES
Now, it's time to bring out Roberto!

MARINA AND ROBERTO KISS KISS

JACQUES

Hello, Hello Roberto.

MARINA

How are you feeling about your chances tonight, Roberto?

ROBERTO

To me, Fashion is the personal personification of emotion through clothes. I'm trying to bring a new theme to fashion and I hope America will like it.

MARINA & JACQUES

Thank you, Roberto.

(Roberto's music plays. He goes backstage.)

JACQUES

Ladies and gentlemen, YOU

MARINA

It's not all about you Jacques.

JACQUES

I'm done with this industry.

MARINA

You can't be done, we still have three more seasons to do.

TV DIRECTOR

And were back in five four three two...

(Stage Manager wipes runway clean.)

JACQUES

SCENE 2.

PRESS CONFERENCE

8/18/07

MIRIAM

Ladies and Gentlemen of the press, my name is Miriam Tensley. I am here to represent DuSanto in our capacity as title sponsors of the show. And I am happy to answer your questions in any way I can.

TRACY TOURNIQUET

Tracy Tourniquet, E! News. Regarding the accusations of foul play and sabotage, has any hard evidence been produced?

MIRIAM

At this time, I am unable to answer that question. But let me assure you, we at DuSanto are doing our part to get to the bottom of this.

HARRIET RUMP

Harriet Rump, W Magazine. If in fact, there is proof that there was sabotage-

MIRIAM

Again, I cannot answer that question

CASEY MACY

Casey Macy, In Style Magazine. It is a dirty, but well-known secret of the fashion industry that many of the models are substance abusers. Was that the large pineapple model who was only recently released from the Kate Moss rehab center?

MIRIAM

Unfortunately, I cannot answer that question-

SAM MANILLA

Sam Manilla, Green America Times. There have been a variety of studies recently showing that there is a significant correlation between exposure to DuSanto's new synthetic material, Chemtex, and liver and kidney toxicity – especially in young children. How do you respond to these facts?

MIRIAM

I'm sorry that question is not pertinent to our discussion of Fashion 47.

SAM

Isn't it true that DuSanto is currently being investigated (he is being dragged away) by the US environmental protection agency for developing a genetically engineered strain of corn that causes significant statistical increase in gene mutations in field mice—

MIRIAM

No more questions! This concludes our press conference!

ROBERTO

Please Miriam, I have something to say. First, I would like to say we were beaten fair and square. Jasper is a great designer, and his fashions were superior.

ROBERTO

Furthermore I am announcing that I am retiring from the fashion business.

REPORTERS

WHAT?

ROBERTO

I will be traveling around the world in search of the meaning of life.

REPORTERS

The meaning of life?!

ROBERTO

Thank you everyone.

(CROWD goes even more nuts! ROB walks off surrounded by press corps.)

AFTERPARTY SCENE.

CATWALK Nightclub.

TRACY

Tracy Tourniquet, E! Fashion News, reporting from the famous Catwalk nightclub. This is the model hangout, and the site of the fabulous after party for Fashion 47.

(Jaspers posse is celebrating like crazy at Catwalk.)

(Roberto's team, minus Olivia Wood, enters en masse to Beat it. They are bummed out, tense and angry.)

(Jasper's team are dancing and having fun. Roberto's squad is angry; they walk through the Jaspers, staring some of them down.)

JESSICA

Five, six, seven, eight!

(The dance off gets very aggressive. Olivia enters the club, sees the fight, and pulls her whole team over.)

(Olivia is able to corral her team away from the Jaspers.)

OLIVIA

Guys, guys, now's not the time.

This is not the way.

Roberto would not want this.

(Roberto's team is huddled up in one corner of the Club.)

MARIAH

They started it!

OLIVIA

Not now Mariah. If we want revenge we have to wait until the time is right.

(HUBBUB AMONG ROBERTOS TEAM. ALL TALK AT ONCE.)

ISIS

Jasper's team is so arrogant.

DANIA

I can kill them all with my little finger.

FELICITY

Jasper çok nefret etiyorum! (I hate Jasper very much! In Turkish. Pronounced: choke ney-fret eh-tee-yo-room)

RAPHAEL

I'd like to put my hair dryer on superhigh and burn their hair off!

OLIVIA

You gotta keep your head cool. Oh my god, is that Paris Hilton?

(Everyone rushes offstage)

OLIVIA (over shouting)

Paris Hilton was a decoy!

(Olivia's team stops. They form a huddle)

Something fishy's going on here with this Jasper thing. I smell trouble...team. What we need is a very organized plan. The fashion world needs our help- now more than ever.

ZOE

Oh please. There's no big conspiracy here. We lost fair and square. Roberto said so himself. Let's face it. We don't have a future here, but I'm a winner, so I'm going over to Jasper where the paycheck is.

EVERYONE

Zoe!

ZOE

I'm sorry.

(ZOE walks over and joins JASPERS squad.)

ZOE

Hey guys.

MARIAH

Oh no she didn't!

ISIS

Zoe, how could you!

DANIA

Traitor!

FELICITY

Zoe, I can't believe you.

JESSICA

Benedict Arnold!

RAPHAEL

Good riddance! Her makeup was always sloppy anyway!

OLIVIA

Everybody stop!

Listen, is there anyone else who wants to leave?

Now's the time to walk. If you're going to leave then do it now!

JESSICA

Jasper's crew is going down!

EVERYONE

Yayyyyyyy!!!

MARIAH

Wait! What is the plan?

OLIVIA

I don't know. What do you guys think? Any ideas?

RAF

We could put hydrogen peroxide in their hairspray.

MARIAH

Dania should pull out the numchucks.

DANIA

I don't need a weapon- I can take them with my bare hands!

FELICITY

Wait a minute guys- let's not get too hot headed. Remember, we have Jessica! She's the master of disguise! What if Jessica pretends to do like Zoe? Pretends to go over and join their squad.

OLIVIA

Like an infiltration?

FELICITY

Exactly! She secretly gathers the information, and then when the time is right, we attack!

EVERYONE

I love it! That's great! Felicity, you're a genius!

OLIVIA

Jessica?

JESSICA

I'll do it!

OLIVIA

Jessica, do you appreciate how big a mission this is?

JESSICA

It's huge.

OLIVIA

OK. Our goal now is to make sure they don't suspect we're up to anything. I need to know that I can trust you all to keep your heads cool. They can't suspect that we're plotting anything. On three we breathe.

OLIVIA

1-2-3.

EVERYONE

This is for Roberto. Wherever you are.

ROBERTO'S SONG

Welcome to Moscow
Welcome to Beijing
Welcome to Nairobi, Kenya
Welcome to New Delhi India

Traveling 'round the world
Making my way
Seeing so much
Touching so
Many people

Feeling so full of life
All different kinds
No two the same
Everyone
Very special

Then I see it
Oh I feel it
Inspiration

Each of us
Has a special style
Makes me cry
And it makes me smile
Cause I have traveled
Ten thousand miles
There's no two
of us that's
Alike

Been to the desert
saw the people
Baked in the heat
But I see
They're still happy

Went to the ocean
Everyone wet

Glistening bright
Bask in the shade
Of palm trees

Oh I see it
Yeah I feel it
Inspiration

Each of us
Has a special way
Might sound trite
Or be cliché
Oh but I have traveled
Ten thousand miles
There's no two
Of us that's
Alike

Snowflakes
Falling everywhere
Blizzard blinding
I don't care
We're like
Snowflakes now I see
No two of us is....

Traveling 'round the world
Making my way
Seeing so much
Touching so
many people

Feeling so full of life
All different kinds
No two the same
Everyone
Very special

Then I see it
Oh I feel it
Inspiration

Each of us
Has a special style
Makes me cry
And it makes me smile

Cause I have traveled
Ten thousand miles
There's no two
of us that's
.....

We each have
A special way
Might sound trite
Or be cliché
But I have traveled
Ten thousand miles
There's no two
of us look--
There's no two
of us are
Alike

HOUSE OF JASPER SCENE.

MODELS SEARCH AUDIENCE FOR AUDITIONEES

TRACY

Tracy Tourniqate, E! News. We have a behind the scenes exclusive at the house of Jasper. Jasper is conducting a search to find a new model for his Bryant park show. We are here with an eager crowd of auditioners. We have 300 people in the house, all vying for one spot to be one of Jasper's models in the hottest fashion event of the year.

CHARLIE

All right all right, let's get this started! As you all know, I'm Charlie, Jasper's personal assistant. I'm conducting this model search. Who wants to be a supermodel? Jasper is looking for one more model for his show in New York. You're all so gorgeous, any one of you could be a model. But what separates normal models from super models is desire. So I gotta hear you, who wants to be a supermodel? Keep your hands in the air!

AUDIENCE MODELS LINE THE RUNWAY ON THE FLOOR.

Hey let's meet our first gorgeous model.
What's your name and where are you from?

JESSICA

Moniquae from Panama

CHARLIE

Have I seen you somewhere before because you look an awful lot like that model from Fashion 47 with the pineapple dress.

JESSICA

No, I said my name is Moniquae from Panama.

CHARLIE

Thank you, Moniquae. Let's get these girls ready to walk. Alright models, we need to see how you can work the runway. It's about the hips, its about the posture, but most of all, it's about the attitude! Let's bring out Jasper.

JASPER ENTERS WITH B.O.B. HIS TEAM BOUNCES IN TIME.

CHARLIE

Let's see it girls! Music please.

AUDIENCE MEMBERS WALK

CHARLIE

Work it out! Work it out! Show us some 'tude kid! Strut it!

THEY FINISH

(JASPER WALKS DOWN THE RUNWAY LOOKING OVER THE MODELS. CHARLIE WALKS WITH HIM).

CHARLIE

Jasper says, we're going to let the audience decide! If you'd like to see _____ be your next supermodel, give a round of applause (repeats with each contestant)

CHARLIE

It looks like we've found a winner with (audience member)!

MONIQA

No no no no no please, I beg you to reconsider. My dream, my American dream is to be a supermodel. I won't to be able to call my mother, after I send her a phone and get the wires connected, and say "Mom, I'm a supermodel"

I took a flight for seven hours and twenty six minutes and I am not giving up!

So if you support me and the American dream, clap for me now. Come on, yes, yes!

CHARLIE

Looks like the audience had a change of heart, our new winner is Moniquae.

To our other four contestants you were wonderful, let's give it up for them. And for your fantastic work on the runway today, we have a gift for you all. An advanced release of the new wonder fiber from DuSanto industries, that's right, Chemtex hats! Thank you everyone.

MODELS ESCORT THEIR AUDIENCE MEMBERS BACK TO THEIR SEATS.

JASPER'S TEAM SURROUNDS JESSICA AND MAKES HER UP. JASPER APPROACHES, SNAPS. WHISPERS TO CHARLIE. CHARLIE SHAKES JESSICA'S HAND.

MODEL ROBOT MUSIC COMES. THEY SURROUND JESSICA.

THE MODELS SWITCH BACK. THEY ESCORT JESSICA OFFSTAGE AS THEIR NON-ROBOT SELVES.
