FOOD VENDOR FORM

Food Vendor space is limited so we will accommodate you as best we can. We need to know the exact size of your EZ Up or vendor trailer. We also need to know when serving if your trailer opens up on the driver's side or on the passenger side. Also please supply a full menu of the items that you will be selling so that we can try to keep it to no more than two of the same items being sold. This will help you as the vendor. Please note that any items not listed may not be sold. You must also bring a fire extinguisher, and cleaning supplies that you may need, dishes, towels, dish soap, etc. Cost per booth is \$100.00 this includes your electricity. We need to know if you need 220 power and if so you will need to bring your own extension cord. This is for a 12X12 space. If you need bigger then this you need to pay for two booth spaces. Thank you for your cooperation.
