Approved

The road inspection began at 10:15 a.m., Monday, 22 April 2019, with Chair Wayne Olson, Supervisor Marshall Pearson, Supervisor Jeff Schlaeger, Road Superintendent Dan Saumer, Back-up Operator Alex Anderson and Clerk Duane Swanson participating. Operator Alex Anderson attended as part of his orientation to the town roads.

Using the attached spreadsheet, originally drafted by Road Superintendent Saumer, the delegation toured each of the 27.0 miles of township roads (with the exception of Snake River Drive). Supervisor Schlaeger drove, starting with an odometer reading of 18205. The main purpose of the road inspection was to review the roads for which the township is responsible. Special attention was paid to the condition and need for culverts, ditching, and brushing.

Extensive reviews of potential ditching on Cabin Drive, on Homer Road, and the condition of Sage Drive were made.

The attached road notes delineate extended issues regarding specific roads. The attached property notes identify properties that have potential actions needed in order to comply with the town's zoning ordinances.

At 2:30 p.m., the road inspection concluded, with Supervisor Schlaeger's odometer reading 18288.

Respectfully submitted,

Dane P. Swanson, Clerk

Wayne Olson, Chair/Supervisor

Marshall Pearson, Vice Chair/Supervisor

Jeff Schlaeger, Supervisor
