Premium Payment Certification

I, _____ (name) certify that I, or a member of my family, will be paying my premiums.

Please note: If your premium is being paid by a third party who is not a family member, STOP. You are not eligible to participate in the Low Income Premium Program (LIPP).

Household Size

In order to determine if you qualify for a reduced premium, we need information about your household size and last year's total combined income for all persons in your household over age 18. Even if only one person is enrolled in the Pool, we still need information on the *entire* household, since the premium reduction eligibility is based on total household income.

List all the people in your household. Use additional sheets, if needed, for more household members.

Household Income Information and Verification

NOTE: For the 2021 verification process, the New Mexico Medical Insurance Pool will be using the Modified Adjusted Gross Income (MAGI) method to determine your eligibility for the Low Income Premium Program (LIPP). MAGI is adjusted gross income (AGI) plus these, if any: untaxed foreign income, non-taxable Social Security benefits, and tax-exempt interest. Follow these basic rules when including members of your household:

- Include your spouse if you're legally married
- If you plan to claim someone as a tax dependent for the year you want coverage, do include them on your application
- If you won't claim them as a tax dependent, don't include them
- Include your spouse and tax dependents even if they don't need health coverage

For more information, please go to www.healthcare.gov/income-and-household-information

Adjusted Gross Income (AGI) + Non-Taxable Social Security Benefits + Tax-Exempt Interest + Excluded Foreign Income
= Modified Adjusted Gross Income (MAGI)

Adjusted Gross Income (AGI): As defined by the IRS, AGI is gross income minus adjustments to income

Non-Taxable Social Security Benefits: Social Security benefits not included in gross income

Tax-Exempt Interest: Interest income that is not subject to federal income tax

Excluded Foreign Income: Foreign earned income excluded from taxation of individuals who live abroad

In addition,

- 1. Attach a copy of the previous year's Federal Income Tax forms filed (include certification form if filed electronically) by each household member who had income, *except as excluded above*, and complete and sign the **Federal Tax Form Affidavit** (Affidavit A) portion of this application – **AND/OR** –
- 2. If any adult in your household had income, *except as excluded above*, but were not required to file a Federal Income Tax form, they must complete, sign, and **notarize the Affidavit B - Other Income Source Affidavit** page 2 of this application.

Affidavit A - Federal Tax Form Affidavit (Make copies for other household members, if necessary) **Not Required to be Notarized.**
