

Summer Activities & Programs in Santa Cruz County 2020

Schools, Colleges, & Universities

Cabrillo & PVUSD CyberSecurity Camp: (middle school & high school students) No experience in CyberSecurity is required to sign-up for the Introductory Camp. Students will need a computer/laptop, the latest web browser downloaded, and a stable internet connection.

Cabrillo Summer Youth Program: (Ages 5-17) Camps@Home! The content, the activities, and the instructors stay the same - but now in the comfort and safety of your home. With Camps@Home, kids will still dive deep into their hobbies or passions, learn new skills, make new friends, see old friends—and have tons of fun in the process!

Santa Cruz City Schools: (high school students) Online Credit Recovery Summer School. June 17th-July 15. Contact your school counselor for recommendation

Sueños Program: (ages 16 to 24) Sueños helps teenagers and young adults develop workplace skills that will prepare them to enter and thrive in an increasingly competitive labor market. Sueños is a Santa Cruz County Office of Education (SCCOE) program funded by the Workforce Development Board of Santa Cruz County – Workforce – WIOA.

UCSC High School Summer Online: (Ages 14-18) As part of Summer Session, high school students who completed their sophomore or junior year with a GPA of 3.0+ can earn UC credits from anywhere! At UCSC, remote and online courses are just like their face-to-face equivalents. Students are challenged, encouraged to think deeply, and expected to perform university-level work.
