

Thank you for your donation to the Opportunity Through Entrepreneurship Foundation (OTEF).

This letter provides additional documentation that you may want to attach to your PayPal receipt.

For your tax records, the Opportunity Through Entrepreneurship Foundation is a 501c3 public charity. (EIN# 20-3779020)

The Opportunity Through Entrepreneurship Foundation ([OTEF](#)) provides training and support to help at-risk youth and adults improve their lives by creating and growing entrepreneurial ventures.

In 2014, OTEF's programming expanded to include D3Bio, a partnership with AZBio that supports Arizona's life sciences ecosystem with entrepreneurial support, education and workforce development. The first was the creation of [D3Bio](#), a division of OTEF, which launched in 2014 to support life science innovation and life science innovators along the pathway from discovery to development to delivery. D3Bio's most popular program, the Student Discovery Zone held at AZBio Signature Events has provided over 900 Arizona high school and university students with the opportunity to share the results of student run research projects with industry leaders.

In 2017, OTEF into a new partnership with AZBio to create [AZAdvances](#) with a goal to provide sustained funding support for Arizona's life science ecosystem and early stage funding for Arizona based life science innovators in perpetuity.

Your donation has been designated to the program you requested as documented on your PayPal donation receipt.

To confirm, in accordance with IRS requirements, you will receive no benefit from this donation other than the knowledge that together we are working to build a better Arizona and to provide greater opportunities for the people who call our state home.

Please consult your tax advisor with questions about how your donation applies to your personal tax situation.

Sincerely,

Joan Koerber-Walker
Chairman of the Board, Opportunity Through Entrepreneurship Foundation (OTEF)
