

PSR Registration Information

After much consideration, I have decided that PSR will not be offered as an in-person program this year. The coursework for the 2020-2021 school year will all be completed online. This is for the safety of the students, their families, and the teachers and volunteers of the PSR program. It is my hope and plan that we will be able to continue with in-person classes for the 2021-2022 school year.

The program will contain 24 lessons. The first lesson will begin the week of October 5th and the last lesson is scheduled for the week of April 26th to be completed no later than May 7th. The program is designed so that one lesson should be completed each week. Your student will not be able to work ahead, but can make up a lesson that is missed. Each lesson will have a short assignment to submit and the completion of this work will be recorded.

The program will utilize both a textbook and online tools. **Families can pick up these books and log-in information on September 30th between 3:00 and 6:00 at door A of Saint Joseph Parish School.**

Registration for this year can be completed online. Please use the link below to register. Complete one form per student. Registration needs to be completed by **August 28th** so that textbooks can be ordered.

Fees will remain the same at \$70 for the first child, \$120 for two children, and \$135 for three or more children. A sacramental fee of \$50 will also be assessed for students in 2nd and 8th grade.
