

Dear Lectors,

The 2021 schedule is now completed through March. We are staying with one lector per Mass, so PLEASE be sure to arrange for a substitute when necessary, either using the MSP app or the lector contact list on the back of the schedule.

Everyone has been scheduled for two weeks at a time. Due to months with five weekends, you may be scheduled for the last week of one month and the first of another. Some Mass times have a larger pool of lectors than others, so if you are not scheduled from December 2020 to March 2021, don't worry you'll probably read in April.

Those of you who are also Eucharistic Ministers will notice that we are not scheduling for both ministries at the same Mass. This allows more parishioners to participate in a Mass.

We will continue to read from the lector practice books until further notice, so be sure to bring yours when you are scheduled to read. In an emergency, there should be an extra copy in the sacristy.

The 2021 lector practice books have arrived! They are on the counter in the sacristy. Please initial next to your name on the list when you take your book so I can be sure all receive a book for 2021.

Thanks once again for sharing your talents with our parish.

Stay well,

Chris Annable
