

Job Opportunity SECURITY MANAGER

The St. Christopher Air and Sea Ports Authority (SCASPA) is a leading provider of Air and Sea Ports services in the Eastern Caribbean. We are committed to the continuous enhancement of our service and facilities to provide the highest level of customer satisfaction to all stakeholders. As a dynamic, fast-paced organization, SCASPA is building a culture of excellence with a motivated, professional and loyal team.

Job Summary

The position requires a proactive approach to create efficient and professionally run security operations at the Air and Sea Ports. The Security Manager will be the PFSO and will be responsible for ensuring compliance with required security regulations, maintaining exceptional customer service standards and protecting the corporate image.

Job Requirements

- A Diploma or higher education in Security Management
- Minimum of ten (10) years experience in the field of Law Enforcement or Security
- At least five (5) years experience in managing medium to large-scale security operations with notable success in creating a disciplined, professional and service-oriented team
- Effective communication skills
- Ability to think at a strategic level
- MUST be a team player

Salary commensurate with qualifications and experience

Key Duties and Responsibilities

- Establishing security objectives, goals and processes, and implementing plans in support of SCASPA's strategic vision
- Assisting in the recruitment of security officers, and ensuring that all staff is adequately trained and competent to perform duties professionally
- Monitoring and evaluating SCASPA's performance on key security issues and programmes, and recommending corrective action where appropriate
- Performing incident analyses and investigations
