Mansions Senior Living Named One of the 2018 Best Workplaces for Aging Services by Great Place to Work® and FORTUNE

Atlanta, GA/Oklahoma City OK – Great Place to Work® and FORTUNE Magazine have honored Mansions Senior Living (parent company of local senior living communities The Mansions at Alpharetta, The Mansions at Decatur, The Mansions at Gwinnett Park, The Mansions at Sandy Springs, Hefner Mansions and Southwest Mansions) as one of the [2018 Best Workplaces for Aging Services](#).

The ranking considered employee surveys that represents more than 162,000 employees working for companies in the Aging Services industry. Great Place to Work®, a global people analytics and consulting firm, evaluated more than 50 elements of team members' experience on the job. These included the extent to which employees trust leaders, the respect with which people are treated, the fairness of workplace decisions, and how much camaraderie there is among the team. Rankings are based on employees' feedback and reward companies who best include all employees, no matter who they are or what they do for the organization. Mansions Senior Living took the number 33 spot on the list.

“To be recognized as a “Great Place to Work® winner is a truly a rare and special honor for all of us here at Mansions Senior Living,” said VP of Marketing, Amy Davis. “Each Mansions is comprised of dedicated men and women whose sole mission is to enrich the lives of our seniors and we are grateful that FORTUNE and Great Place to Work® has recognized our efforts with this very prestigious award.”

Mansions excelled in several areas of the survey with 91% of all employees reporting they feel they make a difference on the job, 97% said they had great pride in their work and their individual community and 96% felt they worked in a great atmosphere.

“Happy employees make happy residents and, in the end, creating synergistic, dynamic and nurturing communities has always been our first goal here at the Mansions,” said Davis. “The aging services industry is rapidly growing and with aging Baby Boomers, consumer preferences are changing even more dramatically. Companies need to adapt their organizations and offerings to remain competitive,” said Michael Bush, CEO of Great Place to Work®. “Organizations like Mansions Senior Living stand out from the crowd, intentionally growing their businesses by creating great places to work.”
