

Rancho Bernardo Republican Women Federated

## **“Off To The Races” - Make a Difference Dinner and Auction**

Rancho Bernardo Republican Women Federated (RBRWF) will hold their Off To The Races - Make a Difference fundraiser dinner and auction Friday July 15, 2016. Proceeds from the dinner and auction provide funding for the RBRWF non-partisan programs we support in our community.

**RBRWF asks for your generous support of our non-partisan fundraising efforts by donating gift card(s), merchandise, hotel packages or service(s) for our auction.**

Since its inception in 1964, the Rancho Bernardo Republican Women Federated (RBRWF) has been an active and highly respected force providing service to our community.

**RBRWF makes a difference in the community through annual fundraising efforts to provide:**

Troop Support - RBRWF has a proud tradition of supporting our military providing assistance to local and deployed troops and their families. Members volunteer at outreach programs, provide baked goods for special events and send much needed care packages overseas.

Scholarships - Every year, the RBRWF awards a \$1,500 non-partisan scholarship to a local high school senior attending a four year college or university. Future scholarships will award money to those attending a trade school or two year college.

Education & Literacy - RBRWF donates classroom supplies to the Monarch School for children impacted by homelessness, books to Poway Unified School District and local public libraries.

Community Service - RBRWF hosts an annual collection drive for residents of Hidden Valley House for women and children in domestic violence situations.

Thank you for your time, consideration, and generous donation.

Sincerely

RBRWF Member
