Committee Positions and Support Positions

Support Positions:

The committee has reviewed the operation of the Committee support positions and has voted to change how these positions are filled.

We urge people to volunteer to take up the positions but please make certain that you can commit to put the time in. There is nothing more embarrassing than not getting work done between committee meetings or to time schedules and this is stressful.

The Support positions will be filled after the AGM via an Expressions of Interest to the Committee – basically a simple letter stating the skills you have for the position and that you have the time available to commit to the position. The Committee will then select the people from the EOIs and Co-opt the person into the support position.

Support Positions

1. Discipline Captain – ISSF
2. Discipline Captain – IPSC
3. Discipline Captain – Single Action
4. Range Maintenance
