

CHANGES TO MASS ATTENDANCE RESTRICTIONS 19/11/2021

In line with the updated Government Covid-19 guidelines.

Our capacity at Masses can now be 1 person per 4sqm OR a cap of 50 people,
where vaccination status is unknown

**For the time being anyone may attend the
Saturday night Mass at Nar Nar Goon,
regardless of vaccination status.
Masks are required**

Please note: All those under 12years and 2 months and those who have a medical exemption are
counted as **fully vaccinated**.

To enable as many as possible to attend other weekend Masses, unfortunately only fully
vaccinated people may attend weekend Masses
at Iona and Kooweerup.

PLEASE NOTE: sign in via the QR code is still required at all Masses.

**Please note that people who are not fully vaccinated may come to any
of the weekday Masses in the parish.**
