

KIDZ POWER PACS NEEDS DUE TO COVID-19

MEETING THE NUTRITIONAL NEEDS
OF OUR CHILDREN NOW AND DURING CRISIS

URGENT

During a time of much uncertainty, two things we are certain about is that God is good and our kids need us!

Community Combined is just that... a community coming together to meet the needs of those who may not be able to meet the need themselves. Although, at this time, we are not physically able to come together, we can come together in other ways. The first way is through prayer. Please pray for our world, our leaders, our ministry, and our kids. The second is through monetary donations. We are spending more than we had planned so that we can make sure our kids are fed. We are needing some very **specific items** that are listed below as we are unable to order in bulk as usual. **Please no donations of snack items such as chips, crackers, Rice Krispy treats, and like items as it is important that we pack our bags with items of substance to feed the children.** Thank you in advance for joining us in these efforts to support our kids and their families during this time!
