Total Endpoint Security for Your Business

What is worse than a Virus? Time and money wasted recovering from one!

Every minute counts in today's business. Stop wasting your valuable and scarce IT resource time and energy on the selection, testing, planning, updating, and, reporting of your Anti-virus software.

Computer Doctors and our Managed Anti-Virus services provides the skilled IT resources, domain expertise, centralized monitoring and proactive approach to ensuring the protection of your desktops and laptops against the ever present threat of Viruses, Spam, malware and unwanted Online Content.

Benefits of a Managed Anti-virus solution

- **Fully Managed Solution for the Same Price as Your Anti-virus Software!**
We include enterprise class endpoint software, monitored by us 24/7, and managed by a team of technical experts that will provide you with regular reports to ensure you can see that the devices in your business are protected at all times!
- **Reduce Operating Costs**
A security incident can stop you from being 100% productive at work. This costs the company a lot of money in lost productivity and in opportunity costs. A virus can hit many machines and take weeks to eradicate. Removing this risk will save you money!
- **Protect Your Company's Critical Assets and Information**
Proactive technologies ensure an additional protection layer against all types of unknown malware, targeted attacks and Internet threats.
- **A Flexible Security Solution**
Our advanced security features offer the appropriate security for any size of company and network.
- **Comprehensive Reporting**
No longer will you be unsure of how well you are protected. We will provide you with reports monthly that let you know that you are safe!
- **Total Peace of Mind**
Buying an anti-virus solution, installing it, and then relying on everyone to keep it updated is a worry. Now you can rest assured that all your Workstations, PCs and laptops are always protected and that there is a group of dedicated experts taking care of it for you 24/7.
