The reality in Haiti:

- 350 women die every 100,000 births
- 75% of women do not have a skilled attendant at delivery
- 201 nurse-midwives are available for a population of 10 million

Midwives for Haiti’s Impact

- 95 skilled birth attendants graduated
- 7922 prenatal and postnatal visits to our mobile clinic
- 1 rural birth center
- 92% graduates employed in 8 out of Haiti’s 10 regional departments
- 22 clinic sites across Haiti’s Central Plateau visited monthly
- 6 training sites for traditional birth attendants
