360-757-6677, f.360-757-6888
221 S 1st St, Mount Vernon, WA 98273
pharmacy@makerscompounding.com
SEPTEMBER 10 @ 6PM PST
HEALTHY AGING – INSIDE AND OUT!
Healthy aging is attainable and we are here to help YOU do it! Skin care, supplements, and lifestyle tips to maintain a healthier, more balanced YOU as you age.

SEPTEMBER 24 @ 6PM PST
CANCER TREATMENT & PREVENTION (LDN)
Treatments, testing, supplement recommendations, and more regarding cancer treatment & prevention. We will go over recent science that has been published on Low Dose Naltrexone (LDN)’s use in various cancer diagnoses.

OCTOBER 29TH @ 6PM PST | HOW TO: HORMONE BALANCING
Learn from over 30 years of pharmacy experience what you need to know about your hormones and balancing them with prescription and over the counter products. Health and wellness shouldn’t take a backseat, and we can help you through it!

NOVEMBER 19TH @ 6PM PST | LDN IN PSYCHIATRY & MOOD DISORDERS
In this webinar, we will go over the latest research done on Low Dose Naltrexone (LDN) and its success in treating diagnoses such as depression, anxiety, PTSD, addiction, OCD, ASD, and even in autoimmune diseases with psychiatric overlay.

DECEMBER 17TH @ 6PM PST | INFLAMMATION & GUT HEALTH
Inflammation is more than just gut health! In addition to gut inflammation, we will discuss the other sources of whole body inflammation, and how to combat these for a healthier you!
