

After you click on the link to register it will take you to the portal to select the class. Follow these steps

Step 1. Search for the appropriate term

The screenshot shows a web portal for Pensacola State College. At the top left is the PSC logo and the text "PENSACOLA STATE COLLEGE". At the top right is a "Recreation & Leisure" logo featuring a person climbing stairs. The main heading is "Shop for courses" with a sub-heading "Recreation & Leisure". Below this is a paragraph: "Please select the Term for your course and the category. The Term is the time of year the course is offered. Once you choose the category the list of courses will then appear, allowing you to add them to your cart." There are two numbered steps: Step 1, "Please select the Term.", with a dropdown menu showing "Summer 2021" and "Term 2021"; and Step 2, "Select the category of course you are looking for", with an empty dropdown menu.

Step #2a: Select Motorcycle Safety Category and the list of classes will appear.

Step #2b: Select the course you want to attend (Basic or ProRider Advanced) and add to cart.
