## Stay in Uncle Gio's Palazzo Home

3-10 Persons

### 5 NIGHTS -2 person per room

Just like staying with your favorite Italian Uncle, Casa Cordati is an old Palazzo home inside a small ancient city. The first floor of this beautiful old building is an art museum in homage to his grandfather, it is spacious but homey and very authentic. There are 4 rooms that stay 2-3 comfortably. Each room has a small refrigerator, coffee maker and basic kitchen utensils.

This is a self-catering type B&B that you will love; within a 2-minute walk to restaurants and bars.

Nope, the bedspreads don't match, the towels are all different colors and the decor is "interesting" but this casually-elegant place will make you want to come back for more.

Your stay will include a private tour of the home with the owner and proprietor!
