2. What we believe.

2 + 7 + many doctrines ?

Evangelical (priority of evangelism) Fundamental (conservative)

(Cults most commonly twist **the Deity of Christ** and **the Authority of the Bible**)

1. God the Father

2. God the Son

3. God the Holy Spirit

TRINITY

4. The scriptures – authoritative, inspired, infallible

5. Human beings – sin nature, free will

6. Salvation – Faith, grace, never earned through good works

7. Eternity – literal, eternal heaven and hell, final judgement

In addition to Essential Beliefs, we uphold the following

In Non-Essential Beliefs, (such as spiritual gifts, end times, personal convictions, etc.) we have liberty. Accept him whose faith is weak, without passing judgment on disputable matters... Who are you to judge someone else's servant? To his own master he stands or falls... So then each of us will give an account of himself to God... So whatever you believe about these things keep between yourself and God.

In All our Beliefs, we show charity.

If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but have not love, I am nothing. Romans 14:1,4,12,22 - 1 Corinthians 13:2

Corporation, Board, and Staff

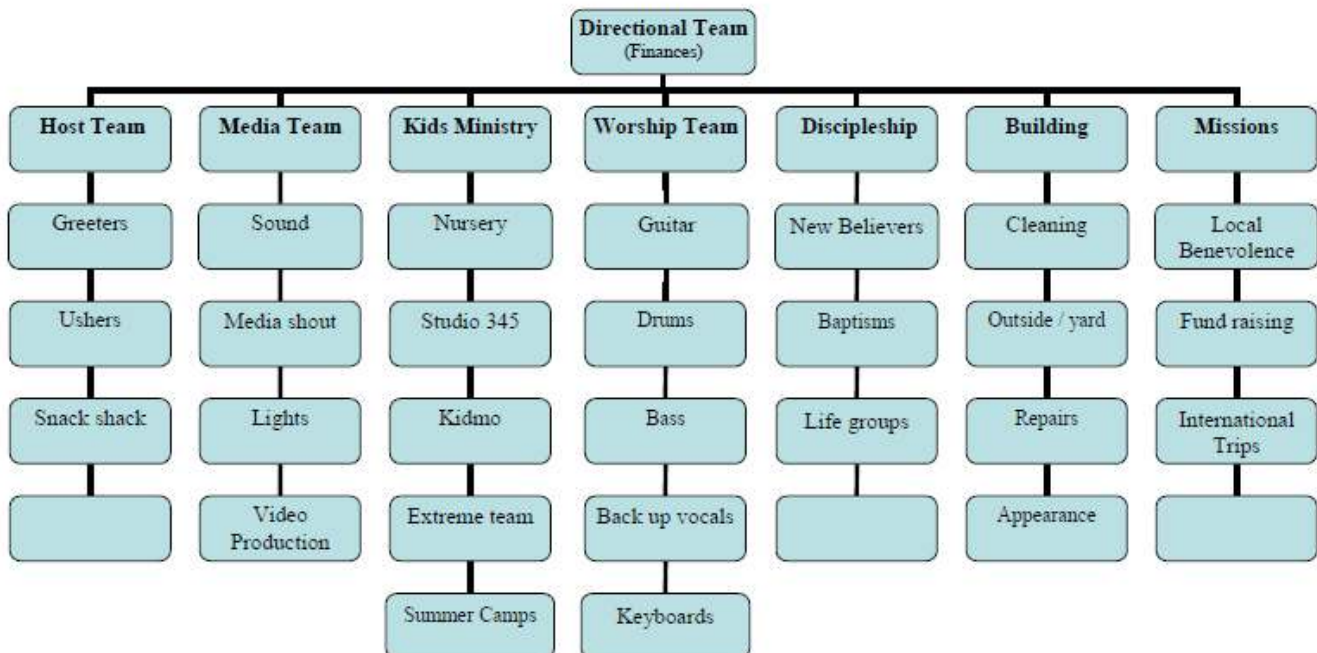

AnewChurch.TV is a non-profit, tax exempt corporation in the state of Oklahoma. We are non-denominational with no home office or headquarters. Our “network” affiliation with lifechurch.tv is completely voluntary with no financial or governmental obligations.

We have quarterly board meetings which consist of the President, Vice-Pres., and Sec. Treas. The board leads in matters of Staff oversight, purchasing of property, and general policy.

The staff consists of part time and full time Pastors including music, childrens, and other dept heads. The senior Pastor is an ordained minister. They meet weekly to direct and plan the day to day ministry.

We are not a democracy with a voting membership.

5. Value of Partnership

Commitment, Spiritual gift survey, Personality profile

Through partnership, we accomplish what God has created and called us to do. This is how we grow spiritually and serve others. It is the opportunity to be a part of something bigger than ourselves. We have three fundamental commitments:

1. volunteer to serve at least once a month.
2. participate in community through a lifegroup.
3. financially support the church with your tithe.*

Taking the “**personality profile**” will help you discover your own strengths and weaknesses. It will also help us get to know you and find the right fit for your team.

The “**Spiritual gift survey**” will help you discover how God has wired you spiritually.

This passion is already in you. You have a gift, maybe even more than one. When you discover it and develop it, we will help deploy it!

Our objective as partners is not to “use you” to maintain the church machine. It is to equip you to fulfill your God-given purpose in life.

We believe that there is no greater satisfaction than for you to find your destiny and share it with a local fellowship of Christians.

That is the goal of ANEW Church partnership.

* Church finances are dispersed in 3 major areas (in thirds):

1. Building overhead, 2. Staff and personnel, 3. Ministries

6. Our Culture and our target audience

Laser focused and “*what were not*”

Culture – our unique style, or personality as a church.

(some describe us as a combination of a rock concert and a movie theatre).

We are a Modern, Media driven, pop culture experience.

We appeal to the unchurched and the spiritually disenfranchised people on purpose. We are inclusive, not exclusive.

We are seeker friendly. We try to avoid meaningless rituals or traditions.

We are comfortable on the front end and confrontational on the back end.

Our efforts and practices are intentional and with purpose.

We will not embrace special interest groups (or individuals) with conflicting agendas. We will sacrifice many good things for the few things we are great at. “*Simpler is better*” and “*less is more*”.

We will partner with other churches or ministries (such as camps, conferences, missions, etc.) that can supplement the weaknesses of this local church and not try to “*re-invent the wheel*”.

7. Our future and our vision

We are all about Evangelism. It is our vision, and our mandate from scripture. Whatever it takes to do the best job of reaching the lost, that's what we will do. If we can double the number of people won to Christ each year at the current location, we will wait to look for another building. However, our building should never limit our efforts of evangelism.

We will have maximum multiple services/ experiences in the current building so as to "do more with less". We will plan on a larger facility only when absolutely necessary, and financially wise to do so. It may be in the best interest of our mission to launch another separate campus across town, or out of town.

We must maintain a healthy ratio of paid staff to volunteers and refrain from increasing our spending budget for the purpose of entertaining consumers. Sacrifice and Stewardship (2 of our core values) will enable us to grow and plan for the future. We will unapologetically compel people to give generously and faithfully to spread the Gospel.

We will always recruit volunteers and raise up new leaders in every area to release them for ministry. Discipleship is reproduction. God will add believers and multiply the disciples.

We will financially support other network churches or church plants with common goals to spread the Gospel.
