

At Anewchurch.tv, our volunteers are our greatest assets! Learn how you can serve. Whether you're into numbers, words, technology, or people, God can use your gifts and skills to make a difference.

A desire to serve is all that we need. Experience is not required, training is provided.

A rotation is set up for each volunteer to serve only once a month. We currently need 128 volunteers to rotate and provide for excellent ministry. As we continue to grow, multiple campuses will double the current need.
