

Per Governor Bullock's Directive on March 15th, 2020 and in consultation with the Yellowstone County Public Health Officer, Locomotion Fitness Center will be implementing the following procedures effective immediately.

1. We will be temporarily adjusting the hours of the gym to 7:30 AM to 8:00 PM Monday-Friday and regular business hours Saturday and Sunday, 8-6. This allows our staff extra time for cleaning and staffing adjustments.
2. Childcare is canceled until further notice.
3. We are canceling all group fitness classes and all water aerobics classes effective March 16th until further notice.
4. Locomotion Fitness Center will be monitoring and encouraging social distancing throughout the gym that may include... limiting the use of some equipment, limiting number of members per area, and limiting hot tub and pool numbers.
5. Immunocompromised individuals or those with chronic health issues should avoid any gatherings and avoid the gym for the next two weeks and possibly longer.
6. Please self-monitor and if you have any cold or flu-like symptoms, do not come to the gym.
7. Due to the increased risk of crowds, at this time, Locomotion Fitness Center will only allow current members and current punch card holders to enter and utilize the facility.
8. These current procedures are subject to change as information is updated.

Here at Locomotion Fitness Center, our members are our family. Safety of staff, members, and community is our top priority. Please know that during this difficult and unprecedented time, we are doing our best to keep everyone happy and healthy. We are doing our best to make sure the facility remains open and is in top sanitized order by disinfecting all high touch points with hospital grade cleaner multiple times daily.
