

Walton Baseball Pre-game Meals

Thank you for making the Walton baseball experience a great one for our families! Every player's family is asked to sign up to provide at least 1 pre-game meal.

Description of pregame meals

Each player is responsible for bringing meals and drinks (snacks for doubleheader) for the entire team, managers and coaches for one game per season. Depending on the number of games vs the number of players for the season, families may be asked to provide a second meal. Playoff games may also mean that families may be asked to provide or contribute toward a second meal.

1. Pregame meals must be delivered to the Walton field by 3:25 pm for games on Mon-Fri. Make it at home or consider buying it from sponsors. Suggested meals include sub sandwiches, homemade sandwiches, Chick-Fil-A sandwiches and nuggets, pizza, chips, bananas, oranges and water or sports drinks. (No grapes or small pieces like trail mix that easily fall and make a mess or are thrown :-))
2. For the second game of doubleheaders, bring a snack and a drink but not a meal to the location of the game. Suggested snacks are granola bars, energy bars, fruit (no grapes or trail mix), peanut butter crackers, cheese sticks or anything quick to eat and easy to digest.
3. In case of a rain out, every effort will be made to notify you if the game is cancelled as early in the day as possible. However, occasionally games are called late in the day. We recommend that you stay in contact with your son throughout the day.
