

2020-2021 AT A GLANCE

We are a co-op run by and for Catholic homeschool families. Each week we gather for enrichment classes, fellowship, prayer, and fun. Here are a few basics about our co-op.

How does it work?

- Every family is expected to participate (teaching in the co-op or by providing another service).
- Weekly attendance is expected, for a year-long commitment. If you hold a non-teaching position one year (TA, etc.) you are expected to help as needed and teach the following year. Each year the classes vary, based on the talents of our parents.
- All adults must have completed the Diocese of Orange Safe Environment online training and must be fingerprinted for the Diocese of Orange. *If you are considering joining the OC Catholic co-op, please contact us ASAP for details. This process takes a few weeks and must be completed before September. Getting this done does not commit you to joining co-op but is the mandatory first step.*
- Field trips will be coordinated during the year.
- Weekly OC Friday Park Days currently held at Placentia Champions Sports Park, at 3:00pm.
- New families who want to join the co-op must go through a 4-week trial period.
